

## ABOUT DSL

Drama Studio London, established over 50 years ago, is renowned for delivering a world-class training for the profession by the profession. The ethos underpinning learning design across all the courses integrates core approaches to *classic* conservatoire model training with a contemporary focus on the evolving skillsets, expectations and challenges required of the emerging professional actor in the 21<sup>st</sup> century performance industries.

DSL currently offers the following suite of courses:

MFA in Professional Acting (2 year) awarded by the University of West London. The MFA provides advanced actor training for postgraduates, alongside a practice research project focused on developing original performance, and including two short form international residencies.

BA (Hons) in Professional Acting (3 year) awarded by University of West London. This 3-year course maintains the integrity of the vocational, practice-based training whilst ensuring the academic rigour required by a degree.

PGDIP/ MA in Professional Acting (1 year) awarded by University of West London. This 1-year course offers an intensive training route into the acting profession for postgraduates.

We also offer part-time and short courses throughout the year for aspiring actors and writers. DSL is a founding partner of the [Federation of Drama Schools](#), and is accredited by the [CDMT](#) and inspected by Ofsted.

The student body numbers in total circa 180 students. Teaching is primarily delivered sites across Ealing including Grange Court, DSL's principal site. DSL values the individual attention that comparatively small class sizes and year groups can offer students.

DSL is committed to valuing and fostering an equal, diverse and inclusive learning community, where considerations of widening participation and representation across all staff and students inform our activities and strategies, shape our processes and practices and centralise these values as intrinsic to the ethos and success of the institution. We welcome applications from the Global majority, those with disabilities and from other underrepresented groups.
